Welcome to our 2025 season

- We have been busy over the past few months making further improvements to the WAC ready for you to come and join us for the 2025 season.
- Access to the open boat store has been improved by moving the doors! Yes-Henry & Pete can do anything!
- We would love to see you and your company at the WAC this coming season. We have options to try kayaking, canoeing and paddleboarding and progress with awards.
- Bookings for taster sessions, courses and trips can be made by BB companies, battalions, and individual young people. So, if you can't make it as a group, share this flyer with your young people and they can still have fun / get wet / get qualified (delete as appropriate for your group!)
- There is a live calendar now available on the WAC website for you to view at: https://www.thewac.org.uk/events/
- Please contact us via email: hello@thewac.org.uk
