Spring clean at the WAC.
A couple of our boys helping Henry during the Easter break. Having fun with the jet wash and giving everything a good clean. Thanks to all those who came to help.

Discover and Paddle Safer Award

Congratulation to a group of leaders from 1st Guildford BB who recently completed the above awards with us over a two-day course. They had the opportunity to develop their paddling skills and give some thought about the water-based activities that they do with their company. Thanks to Graham and Sarah for coaching the group.
